ADDED SUGAR

## ISOPLANT™ - Plant Protein Isolate

- **PLANT PROTEIN ISOLATE** – Each serving contains 20 grams of 100% pure protein made with plant protein isolate. No inferior plant concentrates which are lower in protein, higher in carbs, and have a “gritty” aftertaste.\*
- **COMPLETE AMINO ACID PROFILE** – Plant proteins often have insufficient levels of one or more Essential Amino Acids (EAAs). By combining a precise dose of Pea Protein Isolate, Brown Rice Protein Isolate with added BCAAs, ISOPLANT contains a truly complete protein source.\*
- **DELICIOUS TASTE** – By using the latest protein extraction technology, we removed excess carbohydrates, polysaccharides, gums and fibers which give traditional plant proteins that gritty, earth-like taste.\* ISOPLANT mixes thin and tastes delicious like traditional whey protein isolate shakes.
- **6G BCAAs** – Plant proteins are naturally low in BCAAs which are needed for muscle growth and recovery.\* Each serving of ISOPLANT contains 6 grams of BCAAs (4 grams naturally occurring + 2 grams added).
- **LAB TESTED INGREDIENTS** – Every ingredient in ISOPLANT is lab tested before it's made to ensure purity and product freshness.\*
- **HIGH IN IRON** – Plant proteins are often low in iron compared to meat sources which can lead to mineral deficiencies.\* Just 1 serving of ISOPLANT contains 30% of the Daily Value (DV) for Iron.\*
- **ZERO ADDED SUGAR** – Contains less than 1 gram of sugar (naturally occurring).
- **LOW FAT & ZERO CHOLESTEROL\***

\* Based on Chocolate Flavor, Vanilla contains 25% of Daily Value (DV) for Iron.

\* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

### Supplement Facts

Serving Size: 1 Scoop (30 g)
